Objective

The aim of this conference is to present the latest developments in the implementation and preparation of Cross-Border Cooperation (CBC) Programmes in the Republic of Moldova. The participants will discuss the future of the CBC Programmes financed under the European Neighbourhood Instrument (ENI) as well as the new responsibilities to be taken over by the Republic of Moldova as a Partner country, among them the implementation of the “shared management principle”.

An exhibition of projects financed out of the CBC Programmes and put into practice in the Republic of Moldova in the period 2007-2013 will be open during the event.

Speakers/presenters

Officials from institutions involved in the implementation of the CBC Programmes and projects, representatives of delegation of the European Union to Moldova, representatives of the CBC Programme’s management structures, representatives of project beneficiaries, development partners and other organizations active in the regional development and cross border cooperation.
